

Short Term Missions Trip 2022

Taiwan

Calling all young working adults! Have you been looking for a way to use your annual leave to serve God while also interacting with other Hope SG young adults in a Chinese-speaking country? Well, look no further!

We are looking for volunteers to join us on a Short-Term Mission (STM) trip to Taipei. The primary goal will be to:

1. Reach Taiwanese working adults via street evangelism, Meetup.com, and other forms of outreach.
2. Contribute to Taipei Lifegroup's Christmas outreach party on December 17th by:
 - Inviting and connecting visitors at the outreach party
 - Gathering information about the visitor for follow-up

Please keep in mind that the dates are tentative and will be finalised once the team is formed.

If you have any questions, write in to missions@hopesingapore.org.sg with your name, contact number and Life Group name.
