Tots

An underwater scene with a dark blue background. At the top center is a piece of light blue coral. On the left side, there are several wavy lines representing water. In the bottom left corner, there is a cluster of green and blue coral. On the right side, there are several blue bubbles of different sizes, some with white highlights. Below the bubbles, there are three yellow and blue striped fish swimming towards the right. At the bottom, there are more wavy lines representing water. The text "SEE YOU THERE!" is written in a large, white, bubbly font with a blue outline, centered in the middle of the image.

SEE YOU  
THERE!
