VERSE 1

It could be silent
Or it could be loud
No matter the chaos
I know You will still be found
In stormy waters
My heart can sing
Cause' even the winds and waves
They know that You are King

PRE-CHORUS 1

I'll learn to be quiet
I'll choose to be patient
Here I am Lord

VERSE 2

Sometimes I wander
And hide in my shame
I'm sorry I chose my idols over Your embrace

In my re-bellion
I turned up the noise
Teach me to listen only to Your holy voice

PRE-CHORUS 1

I'll learn to be quiet
I'll choose to be patient
Here I am Lord

CHORUS 1

Speak, for I am listening
Your servant's ever listening
Here I am, You have called me
Great I AM, it's You who have called me

TURNAROUND

| Bb | Bb |

VERSE 3

Sometimes when I seek You
I sit down and pray
I am just desperate to hear what You want to say
But when I hear nothing
And You feel far a-way
Help me to hold on to what You've already said
